Overview

7 Bude Street is an attractive Grade II Listed, mid-terrace period property of Georgian origin, which has been sympathetically converted to provide four self-contained apartments. The apartment offered for sale occupies the first floor and retains a wealth of period charm and character, complemented by recently installed electric radiators.

Ideally positioned just a few steps from Appledore Quay, the property is superbly situated to enjoy all that this highly sought-after coastal village has to offer. The selling agents consider the apartment to be an excellent opportunity for first-time buyers and investors, as well as those seeking a convenient 'lock-up-and-leave' holiday retreat. An early internal viewing is highly recommended to avoid disappointment.

The accommodation is approached through a communal entrance porch and hallway, featuring an attractive tiled floor and an ornate staircase rising to the first floor, where the private entrance to the apartment can be found.

To the front of the property is an impressive split-level living room/kitchen, full of character and featuring floor-to-ceiling windows, a delightful marble fireplace and a high ceiling enhanced by ornate corning and a decorative ceiling rose. The kitchen area is fitted with a range of units providing ample storage, together with an integrated oven and hob and additional space for appliances.

There are two bedrooms, comprising a double and a single, together with a well-appointed shower room fitted with a three-piece suite and benefiting from space and plumbing for a washing machine.

To the front of the property is an off-road parking area, shared between the four apartments within the building and available on a 'first come, first served' basis.

To the rear is an enclosed communal courtyard, which enjoys a sunny aspect and provides a pleasant outdoor space for the use of residents.

AGENTS NOTE – The property is held on the balance of a 999-year lease and includes a 1/4 share of the freehold of the building. A service charge of £100 per month is currently payable, which contributes towards the upkeep and maintenance of the communal areas, together with the buildings insurance.

The owners of the four apartments meet annually to agree the level of the service charge and any scheduled maintenance or works required to the building.

Prospective purchasers should also be aware that dogs are not permitted at the property.

Services

Mains Electric, Water and Drainage
