Upon entering the property which is located on the ground floor, you are welcomed in to a large hallway space. With a quirky shaped entrance area, the hallway has two built-in storage cupboards and although there is no direct sunlight into this space, it feels fantastically light and airy thanks to the clever design and layout.

Having been recently installed, the bathroom enjoys floor to ceiling grey tiles in two contrasting patterns with a stainless steel heated towel rail, bath with glass shower screen and dual shower heads, low level W.C. and hand basin. Above the hand basin and W.C. there is a ledge which could offer storage space for vanity products if required as well as a mirror with storage cupboard. The master bedroom also has the added bonus of an en-suite which has lighter grey floor to ceiling wall tiles with a contrasting mosaic tile creating a feature around the mirror and in the shower. Within the en-suite there is a walk-in shower with curved glass sliding doors and dual shower heads, hand basin, W.C. and stainless steel towel rail.

Next to the master bedroom is the open plan living and dining room which leads into the kitchen. The living and dining room has ample space for a large sofa and dining table and has a glazed door leading to the apartment's private patio area which overlooks the grounds of the complex. The glazed door and large window flood this space with light. The kitchen is accessed via an open doorway from the living and dining room and has wooden coloured wall and base units with a

contrasting dark granite style worktop. Within the kitchen there is a stainless steel sink and drainer, integrated fridge and freezer, integrated dishwasher, electric oven, four ring gas hob and stainless steel cooker hood, the boiler is also housed within the kitchen.

Bedroom two is located at the opposite end of the property to the living and dining room and is another great sized double bedroom. The current owners have a large wardrobe with double sliding doors within the room and there is still plenty of space for additional furniture.
