Introduction

After nearly 20 years ownership, our vendors are looking to sell this incredible investment opportunity. The building is substantially built and has been converted into 6 well proportioned flats on the first & second floors and a large retail unit on the ground floor that is leased to a Blue Chip retailer who has happily renewed their lease on numerous occasions. We have managed the flats for over 12 years and during that time, the void periods have been minimal and the tenants generally stay for long periods. The current rents are little below market value as the landlords have not increased the rents every years to avoid a higher churn rate. We are just issuing rent increases in line with RPR which will be effective in November 2026. Viewing has to be by appointment only so that we can arrange access with the tenants and the retailer.

Location

Knighton is a vibrant market town uniquely positioned on the England–Wales border, often described as having one foot in England and the rest of its body in Wales. Known in Welsh as Tref-y-Clawdd ("Town on the Dyke"), it sits on the renowned Offa's Dyke Path, following the historic earthwork that once marked the border between the two countries. Surrounded by breathtaking countryside, Knighton offers rolling hills, ancient woodland and picturesque farmland stretching as far as the eye can see. The River Teme meanders through the town, adding to its peaceful charm and making it a popular destination for walkers, nature lovers and those seeking a quieter pace of life. Despite its tranquil setting, Knighton is a thriving community with an excellent range of everyday amenities, including independent shops, cafés, takeaways and a supermarket. The town is also served by the Heart of Wales railway line, providing convenient transport links. Local facilities include football and rugby clubs, primary and secondary schools, along with a variety of community groups and social activities. While Knighton has long been a popular choice for retirees, it also enjoys a strong sense of community, with generations of families calling the town home, creating a welcoming and active environment for residents of all ages.

The Property

A substantial three storey building in the heart of the commercial area of the town and the self contained ground floor retail premises is occupied by Boots The Chemist and has been for many years as it is the only dispensing chemist in the town. Currently on a 5 year lease with a passing rent of £15,500 p.a. The upper floors are accessed from the rear of the building where there is a car park providing 1 space for each apartment. On the first floor are four 1 bedroom apartments and on the second floor two 2 bedroom apartments. They are well proportioned and equipped with modern kitchens & bathrooms, electric heating and the occupancy rate is very high due to the demand for modern apartments in the town.
