Established Pharmacy Investment - Fully Let -  
Immediate Income Producing Asset

An excellent opportunity to acquire a well-presented freehold commercial investment situated in the heart of the highly desirable village of Bottesford, Nottinghamshire. The property is fully occupied by Wells Pharmacy, a long-established community pharmacy that has traded successfully from the premises for many years.

The property is being offered as a freehold investment with the benefit of an existing tenant, providing purchasers with an immediate income-producing asset from completion.

The lease is held on a Full Repairing and Insuring (FRI) basis, meaning the tenant is responsible for the repair and maintenance of the building together with the insurance obligations, making this an attractive low-management investment.

Rental income, lease term and further tenancy information are available upon application.

The property comprises a detached single-storey commercial premises currently operating as a modern community pharmacy. The building presents exceptionally well externally with attractive brick elevations beneath a pitched tiled roof, benefiting from prominent signage, customer entrance and forecourt, and customer parking.

Internally the accommodation has been configured specifically for pharmacy and dispensary use, incorporating customer service areas together with professional dispensing facilities and ancillary accommodation suitable for continued healthcare provision, consisting of :

Main Dispensary, Consulting room, break-out room and ample storage.

The property occupies a highly accessible position with convenient pedestrian access and benefits from surrounding residential development, ensuring a consistent local customer base.

## Investment Opportunity

This represents an excellent opportunity for private investors, pension funds and commercial property buyers seeking a secure income-producing asset within a well-established village location.

The combination of:

- an established healthcare operator,
  - long-standing occupation,
  - FRI lease structure,
  - immediate rental income, and
  - freehold ownership
- provides an attractive investment with minimal day-to-day landlord responsibilities.

The property offers investors the opportunity to acquire a quality commercial asset benefiting from a dependable tenant operating an essential community service.

## Demand for Pharmacy & Dispensary Services

Community pharmacies continue to play an increasingly important role within primary healthcare, particularly in established rural communities where access to local medical services is essential.

Bottesford and the surrounding villages have a significant resident population, including many families and older residents who rely upon convenient access to:

- NHS prescription dispensing
- Repeat prescription collection
- Pharmacy First consultations
- Vaccination services
- Minor illness advice
- Over-the-counter medicines
- Health screening and wellbeing services

The village's growing residential population, together with neighbouring rural communities, creates sustained demand for a professionally operated pharmacy and dispensary service, underpinning the long-term importance of the occupier's business within the local community.
