21 Crescent Rise is quietly positioned within the highly sought-after coastal village of Constantine Bay, just a short walk from the golden sandy beach and the Championship Golf Course at Trevoze. The property sits comfortably within a large and level plot, enjoying gardens to the front and rear together with ample driveway parking and garage.

Recently, 21 Crescent Rise has undergone a comprehensive scheme of modernisation and refurbishment by the current owners, resulting in a beautifully presented home finished to a high standard throughout. The accommodation is spacious and light-filled, centred around an open-plan L-shaped living space. This versatile area features a sleek

modern kitchen with an eye-level oven, grill, microwave, integrated dishwasher, wine chiller, fridge and freezer. Half-height panelling, together with built-in cupboards and shelving, brings character and elegance to the adjoining dining and living area, where a wood-burning stove is set in one corner. There is ample space for sofas, a dining table and occasional furniture, while French doors open directly onto the rear garden. Natural light floods the room, creating a welcoming and airy atmosphere.

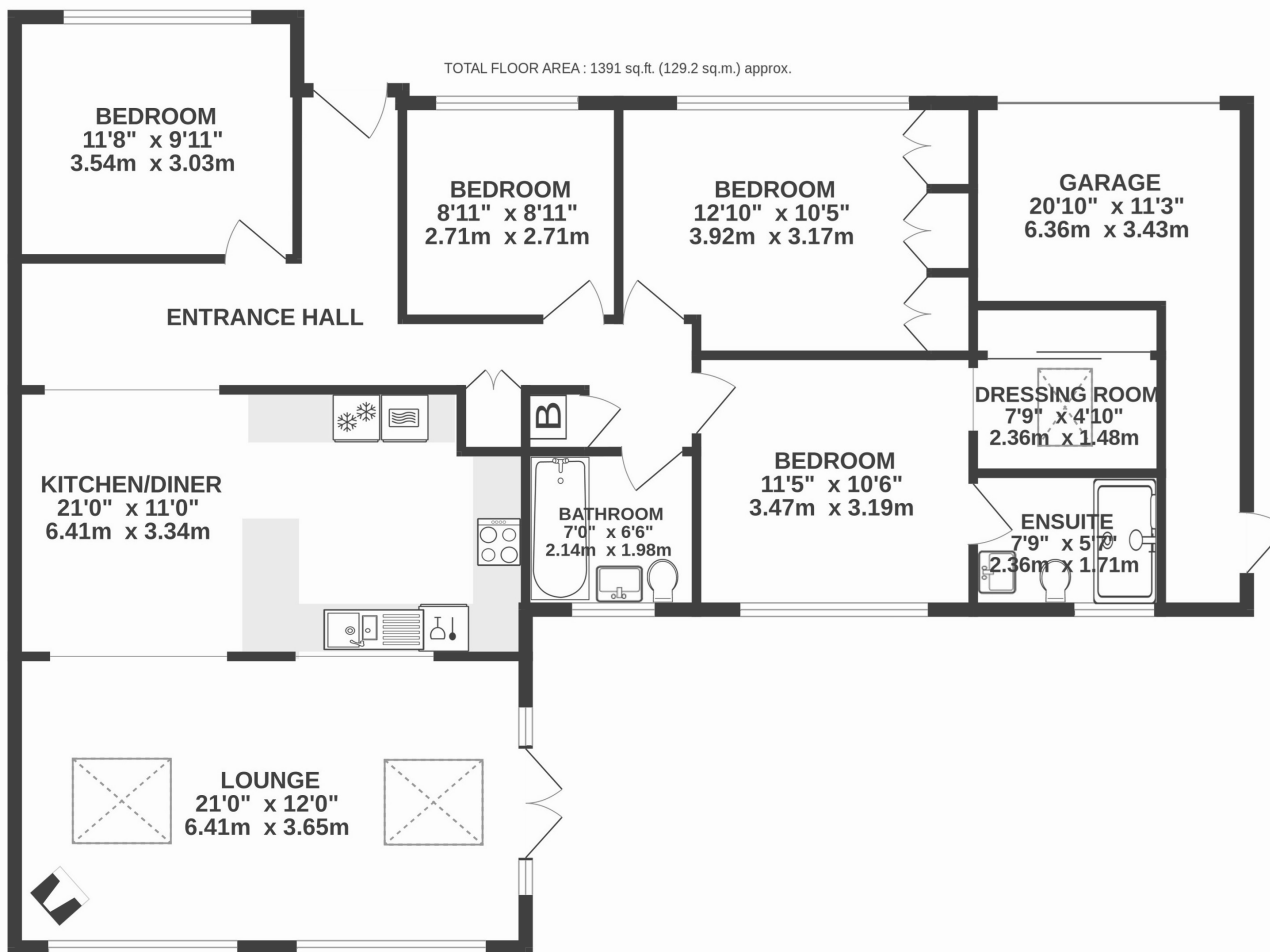

There are four double bedrooms. The master bedroom, set to the rear of the property and overlooking the garden, benefits from a stylish en-suite shower room and a walk-in dressing room complete with wardrobes. Another one of the bedrooms has a range of built in wardrobes. A separate family bathroom provides a shower over bath, also finished in a crisp contemporary style.

The rear garden is a particular feature, beautifully landscaped with a lawned area, a huge expanse of slate patio, flower beds and wooden fencing offering privacy. To the front, a wide expanse of wild meadow/lawn sits alongside a driveway which leads to a single garage with an up-and-over door.
