ABOUT THE PROPERTY

Set on one of Wimbledon Village's most sought-after and quietly positioned residential roads with a detached double garage and annexe above, this beautifully reimagined family home offers thoughtfully designed accommodation, a wider-than-usual frontage for the road and a rare opportunity for a purchaser to put their own final stamp on the interior specification. Now completed, the house combines elegant proportions with modern functionality in the very heart of Wimbledon Village. A welcoming entrance hall leads through to a refined front aspect formal living room, distinguished by a gently curved bay window that draws natural light deep into the space. To the rear, a superb full-width rear-aspect kitchen entertaining area forms the true heart of the home. Designed for modern family life and relaxed entertaining alike, this generous, light-filled space opens through glazed doors onto the garden, creating a seamless indoor-outdoor connection. The ground floor benefits from underfloor heating throughout and there is also a guest cloakroom and a practical utility room with side access.

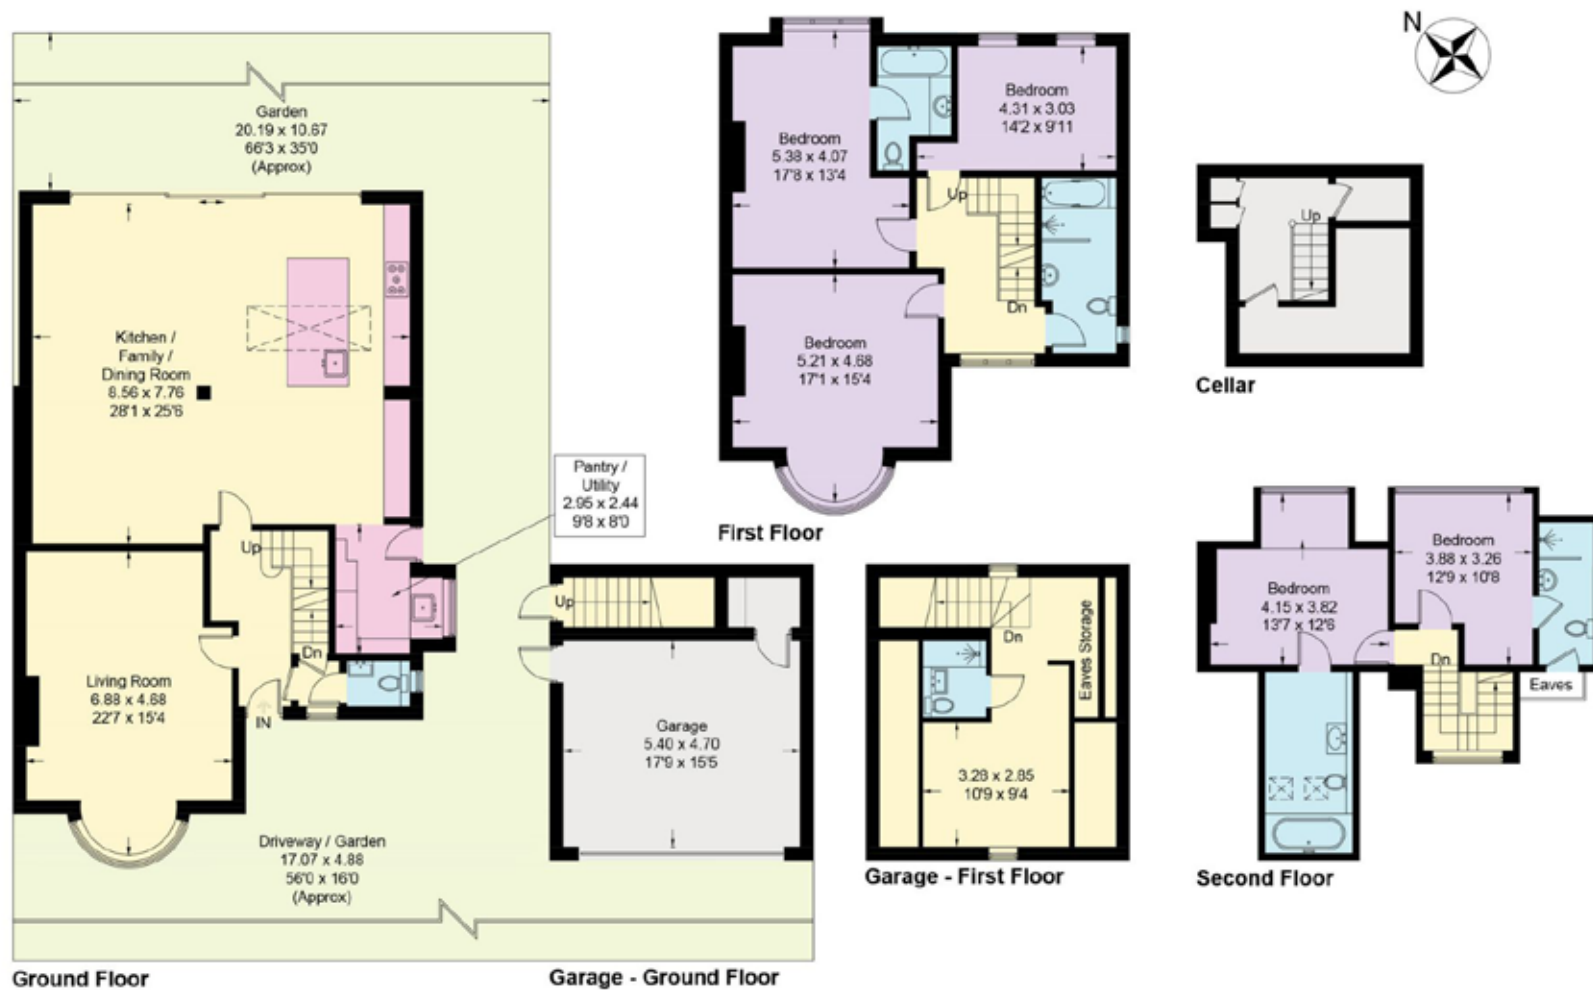

Spread across the upper floors are five well-proportioned, bright and airy bedrooms and four bathrooms, arranged over two levels. The principal suite occupies a prominent position on the first floor with views of the rear garden and a beautifully appointed en-suite bathroom, alongside two further generous bedrooms and a family bathroom. The second floor provides two additional bedroom suites, each with its own en-suite, offering ideal accommodation for older children, guests or extended family. To the front, a newly constructed double-storey garage provides dedicated off-street parking for two cars with ample off street parking in front, while the first floor above has been designed as a self-contained home office or working studio with an en-suite – an exceptional asset for home working or creative use. Subject to the usual consents, the garage space itself could alternatively be adapted into a games room or additional living area. To the rear, the house enjoys a superb garden extending to approximately 70 feet, with an excellent aspect and ample space for outdoor dining, play and entertaining – a rare amenity so close to the Village centre. Planning permission was previously approved to extend the existing cellar and create additional basement accommodation, offering excellent scope to add a cinema room, gym, wine storage or further family space, subject to the usual consents – a valuable and increasingly rare opportunity in such a central Village location.
