We are delighted to offer as our client's sole agents, this older style three bedroom semi-detached house which is set in a popular and convenient location close to local schools, Kimberley Park and the town centre.

The house was built in the 1930's by E Thomas Construction and this has a class A2 Mundic Block Test (making this eminently suitable for mortgage purposes), available for perusal at our office.

The property is well presented and decorated with neutral Mediterranean themes taking full advantage of the amazing amount of natural light that streams into the property and it offers spacious accommodation making this ideal for a growing family. Current features include gas fire central heating by radiators, UPVC double glazed windows, a selection of Venetian blinds, engineered oak flooring to the ground floor, a focal point fireplace sitting room and fitted carpets to the first floor.

The well planned accommodation includes; an entrance porch, reception hall, sitting room, open plan kitchen and dining room, a staircase leading to the first floor landing where you will find three bedrooms (two doubles and a single) and a bathroom/wc combined. Outside the property there are raised mature gardens to the front, a long tarmac driveway with tandem parking for certainly three vehicles, a detached single garage and a delightful enclosed lawned garden at the rear with a timber deck for relaxing and entertaining.

The ever popular town of Falmouth offers an eclectic range of facilities including shops, cafes, restaurants, the Phoenix multi-screen cinema, the Poly Theatre and the Princess Pavilion that provides a variety of entertainment to suit all tastes. At the end of town you will find Events Square that is home to the National Maritime Museum.
