## PARTICULARS OF SALE

Nunland is approached by its own private road which gently inclines to a fabulous, elevated site with far reaching panoramic views over the surrounding Galloway countryside. **The cottage** is the principal dwelling of the current owners and offers well-presented three-bedroom accommodation over two floors. Off the central hallway is a well-equipped family kitchen where there is ample room to accommodate a dining table. There are patio doors to the Indian sandstone patio, perfect for those summer day barbecues and family and social entertaining. The remaining rooms on the ground floor contain a utility room, family bathroom and a cosy lounge with patio doors, again to the patio. The first-floor accommodation offers three bedrooms, two of which are en-suite.

Across the yard is a commanding **two storey sandstone house** built circa 1909, which does require full refurbishment but still retains many lovely original features which could be brought back to life. This property offers a fabulous development opportunity for creating extended family living or indeed to develop further holiday accommodation.

**Floor plans are contained within these particulars for both properties showing the layout and dimensions of each.**

Outside there is a hardstanding storage yard offering parking for ample vehicles and in addition comes with just over **16 acres of grazing land** which has been used for the grazing of horses and sheep.

A feature is the inclusion of a range of traditionally built stables, along with two storage buildings. Across the yard is a full size menage with the yard providing ample storage for a number of vehicles. A new access track has been laid creating a separate access for lot 1, therefore isolating this from the remainder.

The grazing land included with lot 1 is utilised and well suited to equestrian grazing. At present all the land is laid down to permanent grass. It should be noted that permission was approved for a bespoke horse gallop.

In addition, planning has been approved for the erection of a building to contain 8 commercial horse stables, storage area, and tack room, siting of a portacabin to act as a laundry, change of use of land to form 4 paddocks for horse grazing, canter track, and hardstanding area. Details of this planning can be found on Dumfries & Galloway Councils planning portal using the ref: 20/1855/FUL. Permission has also been granted for a new agricultural shed within the yard – planning reference: 20/1673/DPA.
