The Nitty Gritty

The Nitty Gritty (Animal Edition) As proud members of the local habitat, we've spent years sniffing out the very best creatures for each task — from the busiest bees to the wisest old owls. If we point you toward one of our trusted animal friends, it's because we genuinely believe they'll help your journey run as smoothly as a dolphin through calm waters.

That said, transparency is important in any ecosystem: a small number of the animals we recommend (definitely not the whole pack) may occasionally toss us a thank-you bone in the form of a referral fee of up to £200. You're never obliged to follow our tracks — the choice is entirely yours.

If you successfully secure one of our properties and decide to pounce on the purchase, there is an administration fee of £36 inc. VAT per person (non-refundable). This covers the necessary Anti-Money Laundering identity checks — think of it as the paperwork equivalent of showing your feathers before joining the flock.
