Estoril Road, Darlington, DL1 4ND

Offers in the region of £130,000

Council Tax Band: A

Located in the highly convenient Eastbourne area of Darlington, this extended three-bedroom home is offered to the market with no onward chain and presents an excellent opportunity for buyers seeking a well-maintained property with scope for updating.

Originally built as a two-bedroom home, the property has previously been reconfigured to the first floor to provide three bedrooms, plus a shower room. To the ground floor, a rear extension creates a light and airy kitchen, while the two inviting reception rooms offer flexible and practical living spaces, with a convenient ground floor WC offering practicality.

Although some cosmetic updating would enhance the home further, it has been well cared for over the years. Notable improvements include a renewed main roof and flat felt roof, majority uPVC double glazing, and gas central heating via a combi boiler.

A particular standout feature is the attractive rear garden, enjoying a desirable south-easterly aspect and not being directly overlooked, creating a pleasant sense of privacy. To the side of the property, a shared driveway provides access to a garage, ideal for secure parking or additional storage.

The location offers excellent access to local shops, schooling, Darlington train station, and the town centre, making it ideal for families, commuters, and investors alike.

Please note:

The reconfiguration of the original principal bedroom into two separate bedrooms, along with the addition of the ground floor WC, would not fully conform to current building regulations.
