Introduction

Our Comments

Seller's comments...

We have loved living in this home for the past ten years. Tucked away in a peaceful close with wonderful neighbours, it has been our place of comfort, happiness, and community. Over the years, we have carefully transformed the house, including adding a beautiful, light-filled extension that has become the heart of our family life.

This warm and welcoming space has hosted countless family gatherings and celebrations, making it a joy to both live and to entertain in. It is with genuine sadness that we say goodbye, but we are excited for our next chapter and sincerely hope the new owners will fall in love with this home and create many happy memories of their own.

Agent's comments...

Situated within the popular Bure Park development, close to the nature reserve and Bure Park Primary School (rated Good by Ofsted), this impressive four-bedroom, three-storey home offers flexible and modern family living.

The ground floor has been enhanced by a full-width rear extension, transforming the kitchen into a stunning open-plan kitchen/diner/family room. This bright space features automatic Velux skylights and bi-fold doors opening directly onto the garden, creating a seamless indoor-outdoor flow. A downstairs W.C. adds everyday convenience.

On the first floor, a bright and spacious landing leads to three well-proportioned bedrooms and a family bathroom, making this level ideal for children, guests or home working.

The top floor is dedicated to the principal bedroom suite, offering excellent privacy. This level includes an en-suite shower room and a separate dressing area, creating a calm retreat away from the main living space.

Outside, the property benefits from an enclosed garden with a decking area, ideal for entertaining or relaxing. There is allocated parking, along with front storage suitable for bikes and the added benefit of an EV charging point that you can charge from outside the front of the home.

A well-located and thoughtfully extended home, perfectly suited to modern family life in one of Bicester's most sought-after neighbourhoods.

Coal Mining

This map displays nearby coal mine entrances and their classifications.

Mine Entry

- ✗ Adit
- ✗ Gutter Pit
- ✗ Shaft

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

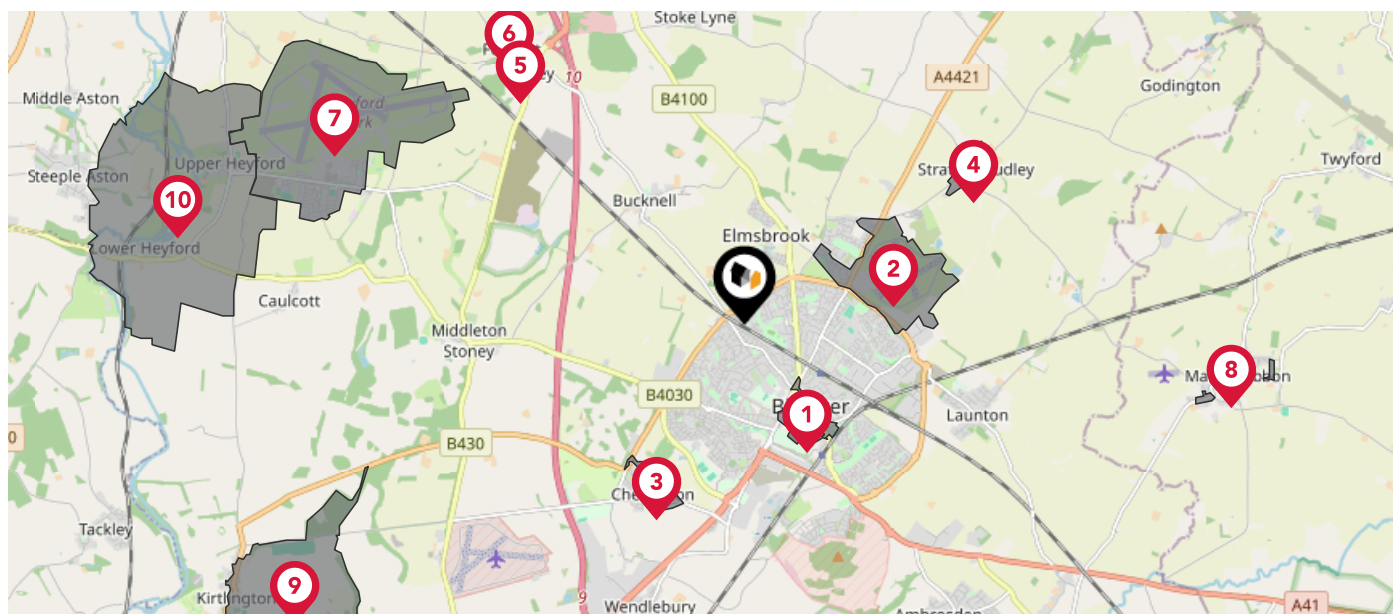

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

Rail Noise Data

This data indicates the level of noise according to the strategic noise mapping of rail sources within areas with a population of at least 100,000 people (agglomerations) and along Network Rail and HS1 traffic routes.

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

5		75.0+ dB	
4		70.0-74.9 dB	
3		65.0-69.9 dB	
2		60.0-64.9 dB

Radon Gas

What is Radon?

Radon is a natural radioactive gas, which enters buildings from the ground. Exposure to high concentrations increases the risk of lung cancer. The UK Health Security Agency (UKHSA) recommends that radon levels should be reduced in homes where the annual average is at or above 200 becquerels per cubic metre (200 Bq/m³).

Avocado Property Testimonials

Testimonial 1

I was on the market with a local agent for nearly 10 weeks, I was recommended Alistair by a work colleague, He sold my property close to the asking price in less then 2 weeks. If you want a personal professional service, Alistair is definitely the guy to call, would highly recommended - Christine Corcoran

Testimonial 2

We decided to sell our property and chose to use Alistair and Avocado as they offered a different type of approach to selling. Alistair provided a far more personal and hands on service than we had experienced with high street agents previously. He steered us through a difficult chain and gave us sound advice on a daily basis, with real time facts. We would highly recommend him for his commitment throughout the journey - Maggi Wells

Testimonial 3

We moved our house sale from a high street estate agent to Alistair after he was highly recommended. We decided to move agent as we felt our house was not being seen as much as had hoped for. Alistair was great through the whole process. We couldn't recommend him any more, he made what could be a very stressful time very easy. Thank you - Emily Parker

Testimonial 4

We have recently bought a property through Alistair. His service was a breath of fresh air in comparison to many of the high street brands that we had bought and sold properties through in the past. He was efficient, reliable and trustworthy. We would recommend him without hesitation. - Holly
