ABOUT THIS HOME

GUIDE PRICE £700,000 - £725,000

Lavender House is a newly built, traditionally styled four-bedroom, two-bathroom detached home, arranged over three floors and offering beautifully presented, energy-efficient accommodation.

The property is entered via a spacious and welcoming entrance hall, with cloakroom and built-in storage. At the heart of the home is a superb open-plan kitchen/breakfast room, flowing seamlessly into the living/dining area, where bi-folding doors open onto the sunny landscaped rear garden.

The first floor provides three well-proportioned double bedrooms, served by a spacious family bathroom, while the top floor is dedicated to an impressive principal bedroom suite with en suite bathroom.

Outside, the westerly-facing rear garden has been thoughtfully landscaped to include a sandstone patio, lawned area and planted borders, together with a useful side garden area ideal for sheds and additional storage. A garden cabin provides excellent ancillary space, ideal as a work-from-home studio or guest annexe, with living area and kitchenette, bedroom and bathroom.

To the front, a gravelled driveway provides parking for numerous vehicles and is screened by newly planted hedging.

This one-off new home also benefits from underfloor heating to the ground floor, triple glazing, an air source heat pump, 4kW solar panels, solid plastered walls, tall ceilings, an A-rated EPC, and the remainder of a 10-year Buildzone warranty from February 2026.

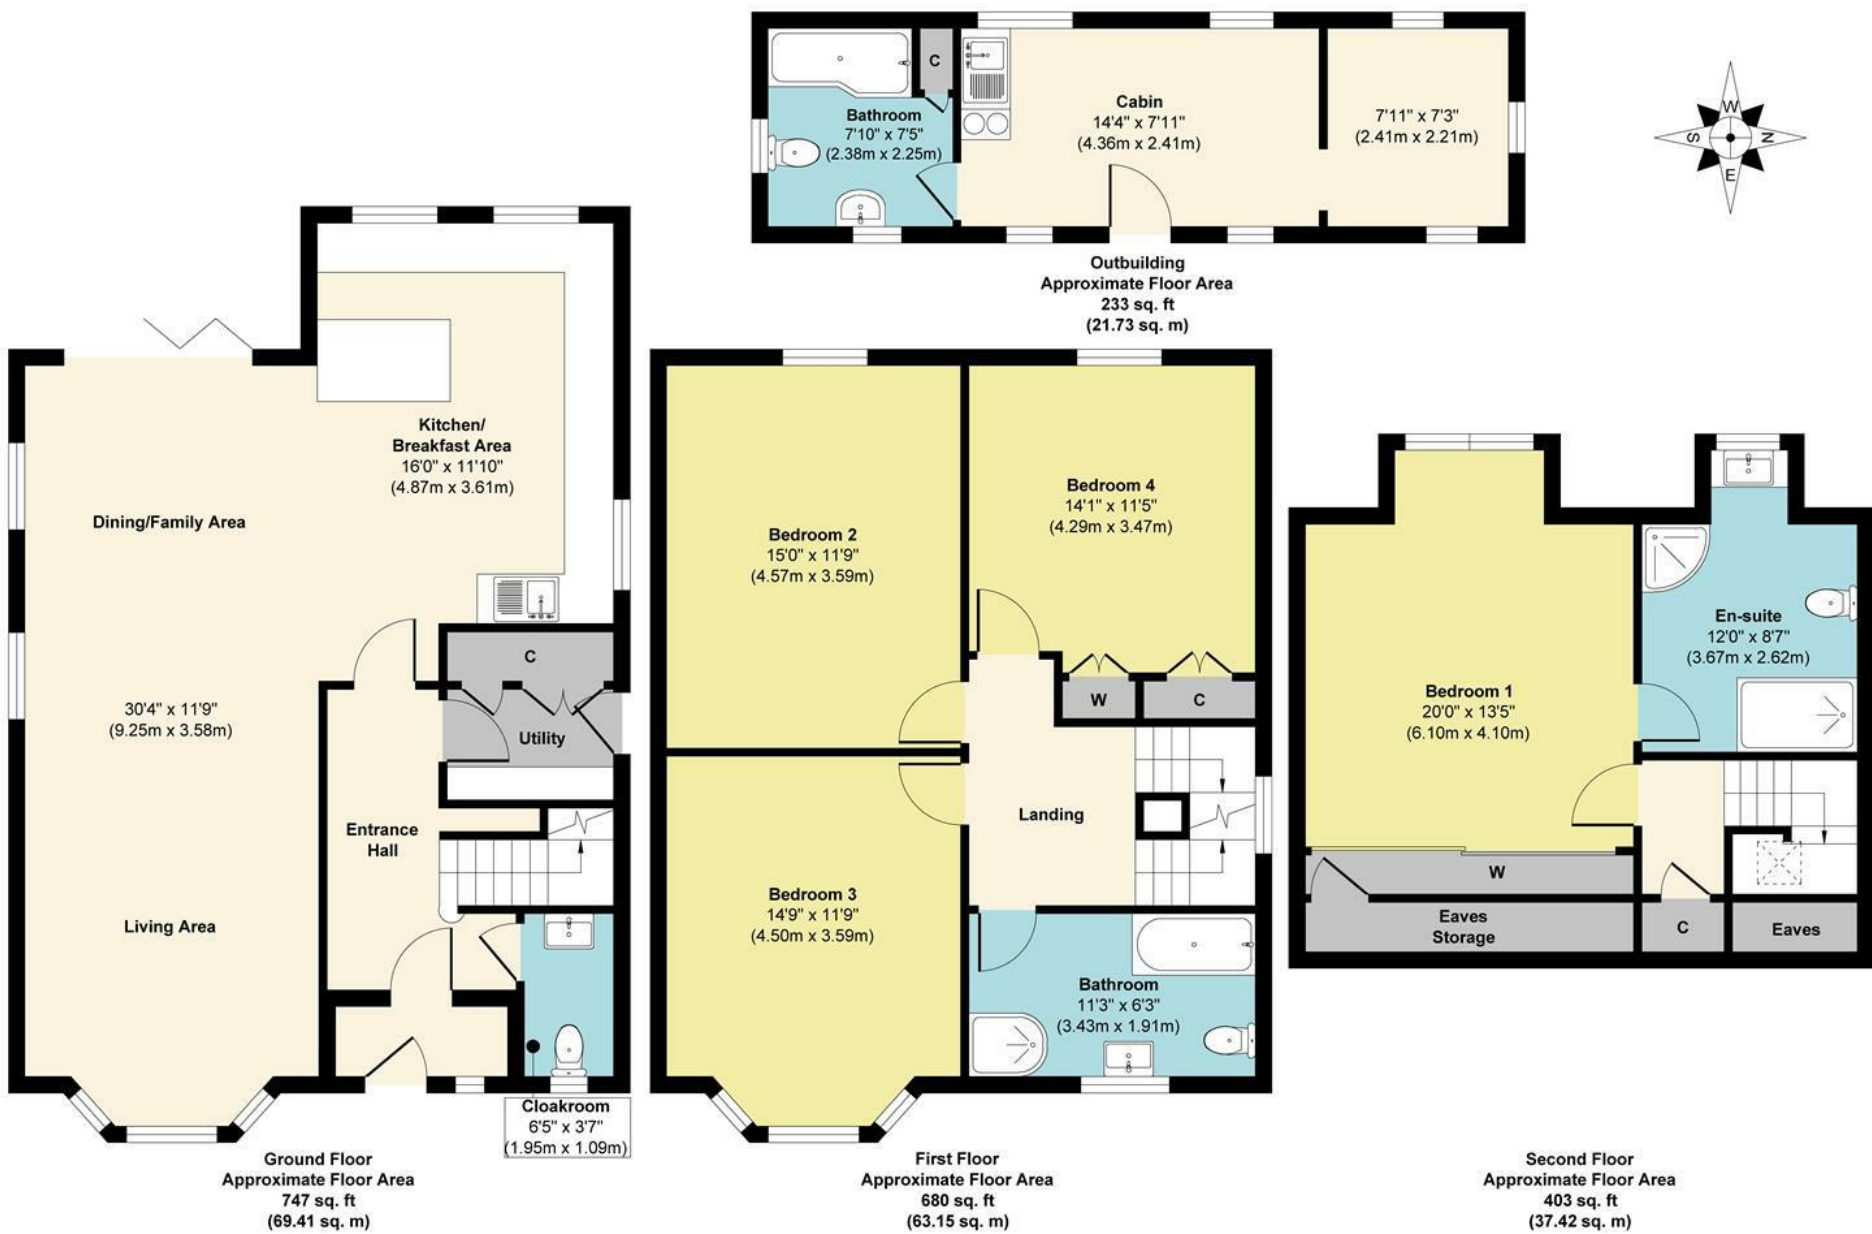

OWNERS COMMENTS

"Around three years ago, I discovered this unique building plot and, after exploring the surrounding area and neighbouring homes, immediately saw the potential to create something special for my family. From the very beginning, this was a passion project—I carefully designed every aspect of the house to maximise space, light, and practicality, resulting in a truly one-of-a-kind home. Great attention was given to both comfort and efficiency. The property benefits from enhanced insulation, triple-glazed windows and ASHP, making it economical to run while remaining warm and inviting throughout the winter months, despite its generous open-plan layout and spacious rooms. Living here has been a wonderful experience. With local shops, welcoming pubs, and beautiful countryside walks right on the doorstep, it offers the perfect balance of village charm and everyday convenience. The ease of access to Maidstone town centre—just a short drive or bus ride away—has also been a real advantage.

This home has meant a great deal to us, but with a new addition to our family due in the coming months, we've made the decision to move closer to relatives. We now look forward to another family enjoying this home as much as we have."
