- Popular location
- Mayfield and Chesterton catchment
- Refitted bathroom
- Lovely garden

A lovely Victorian terrace of about 800 sq.ft, with a first-floor bathroom, good-sized bedrooms and a pretty south-east facing garden.

The living room is at the front of the house and has a chimney breast (fireplace currently blocked) and wood flooring. The dining room has a fireplace and wood flooring and leads through to the kitchen, which has fitted cupboards, worktops and space for appliances. There is a door to the rear garden, and the tiled floor continues through to the useful utility room/WC, which has space for a washing machine etc.

The home has the benefit of being over the passage, creating surprisingly spacious first-floor accommodation that includes a full-width main bedroom with a built-in cupboard, a good-sized second bedroom, both with wood flooring. There is a beautifully refitted family bathroom with a shower over the bath, vanity basin, tiled floor and a towel rail.

The house has double glazing and gas central heating.

The front garden is low-maintenance but offers space for bikes. A shared covered passageway leads to the rear garden, which is charming, has a seating area, lawn and flower beds. The garden is enclosed by fencing.

Agents' note: Number 122 has a pedestrian right of way from the shared side passageway, across the rear of number 124, providing access to the rear garden via a gate.
