Summary

Ashgrove is a delightful detached country smallholding occupying a peaceful rural setting along a quiet single-track lane, approximately 8 miles from Haverfordwest. Extending to approximately 17.6 acres of gardens, yards and productive pasture, this versatile property offers an exceptional opportunity for those seeking an equestrian lifestyle, a working smallholding, or a home with extensive business potential.

The well-presented detached residence provides spacious and comfortable family accommodation, comprising an inviting entrance hallway, a generous living and dining room opening into a light-filled conservatory overlooking the gardens, a separate sitting room, utility room and ground floor WC. Upstairs, the principal bedroom benefits from fitted wardrobes and an en-suite shower room, complemented by two further double bedrooms and a family bathroom. The property also enjoys the benefits of double glazing and electric heating.

One of Ashgrove's most impressive features is its extensive range of traditional and modern outbuildings. With two independent vehicular access points serving the rear yards, the property is exceptionally well suited to agricultural, equestrian or commercial use. The buildings include a car port, timber shed, Dutch barn, a substantial linear building incorporating a reception room, office, store room and two workshops, a block-built stable block, an additional timber stable block, and a barn ideal for the storage of machinery, farm vehicles or equipment. Subject to any necessary planning consents, these buildings also offer exciting scope for alternative uses or conversion.

To the rear of the house, a charming enclosed farmhouse garden provides a private and picturesque setting to relax and enjoy the surrounding countryside, while the adjoining pasture land creates endless opportunities for livestock, horses or hobby farming.

A rare opportunity - viewing is highly recommended!
