Externally, a standout feature of the home is the beautifully landscaped rear garden. A patio area provides the perfect spot for outdoor seating and includes two log stores, two storage sheds and a lean to. Steps lead up to a spacious lawn, bordered by a variety of shrubs and planting for added privacy and a shingle area with a greenhouse. A rear gate offers potential for additional access and opens directly out to a bridleway giving right of access, which then backs onto surrounding fields—ideal for dog walking and enjoying the countryside.

To the front, a driveway provides valuable off-road parking.
