Location

The property is set along the High Street, a short distance from the centre of the popular and well regarded village of Wickham Market. This thriving community offers a range of local businesses, shops including a Co-operative supermarket, restaurants, a health centre, library and primary school. There are regular bus services to Woodbridge and on to Ipswich. The village is also within the Thomas Mills High School catchment area for secondary schooling.

Wickham Market lies about 12 miles to the north-east of the county town of Ipswich and just off the A12, providing dual carriageway driving to Woodbridge (approximately 4 miles), Ipswich, London and the south. There is a railway station at nearby Campsea Ashe with trains to Ipswich and on to London, which take just over the hour. Local tourist attractions, such as Easton Farm Park, Snape Maltings, Framlingham Castle and Sutton Hoo, are all within a 10 mile radius, as is the coast with popular destinations such as Aldeburgh.

Description

Weavers Cottage is a delightful, deceptively spacious two double bedroom cottage, that is set along the High Street, just a short distance from the centre of the village. During the last 10 years the property has been used as a second home, and has been well maintained during that time.

The cottage is of traditional brick construction, with rendered and colourwashed elevations under plaintile roofs. The property was extended, probably during the 1970s, to create the generous kitchen with cloakroom on the ground floor and additional double bedroom above.

In all, the accommodation extends to approximately 925 sq ft (86 sqm) and comprises an entrance lobby, well-fitted kitchen, cloakroom, sitting room and dining room on the ground floor. The sitting and dining room are partly sub-divided by the exposed brick chimney breast that houses a coal effect gas stove.

On the first floor there is a landing area with useful range of storage cupboards, two good size double bedrooms, which both benefit from fitted wardrobes, and a bathroom.

Weavers Cottage also benefits from a detached garage, approximately 16' x 13' with 9' x 8' workshop area off. There is also a delightful, landscaped courtyard garden that contains a number of established flowers and shrubs and which enjoys the sun during the latter part of the day.
