The accommodation is thoughtfully arranged over three floors and begins with a welcoming entrance hall featuring attractive wooden flooring. To the right is a convenient cloakroom fitted with a WC and pedestal wash hand basin, while to the left internal access leads to the integral garage. The garage has been cleverly adapted to incorporate work surfaces and plumbing for a washing machine and dryer, creating a highly functional utility space, complete with power, lighting, shelving and an electric up-and-over door. A useful understairs storage cupboard sits off the hallway, housing the boiler.

To the rear of the property lies the heart of the home, a stunning dining kitchen bathed in natural light from glazed patio doors that open onto a composite decking area. This inviting space enjoys serene views over the garden and River Kent beyond. The kitchen is fitted with wall and base units as well as integrated appliances, including an AEG oven, five-ring gas hob with concealed extractor, dishwasher and fridge freezer. Finishing touches such as under unit lighting and a built in wine rack add a touch of refinement and practicality.

Ascending to the first floor, the impressive living room takes full advantage of the elevated river views, with glazed doors opening onto a balcony with sleek glass balustrades, an ideal spot to relax and unwind. A decorative fireplace with tiled surround and dark wood mantel provides an attractive focal point. Also on this floor are two bedrooms and the house bathroom. Bedroom two is a well proportioned double with a front aspect, while bedroom three offers flexibility as a single bedroom or home office. The bathroom is well appointed with tiled flooring, a panelled bath with handheld shower, vanity wash hand basin, WC and a heated towel radiator. A storage cupboard on the landing houses the hot water cylinder and provides useful linen storage.

The second floor is dedicated to the principal bedroom suite, a spacious and tranquil double room enjoying elevated rear views. It benefits from two built in wardrobes and a modern en-suite shower room comprising a shower cubicle, WC, pedestal wash hand basin, heated towel radiator, tiled flooring and a Velux window.

Externally, the property continues to impress. The rear garden has been thoughtfully landscaped for low maintenance, featuring a composite deck with awning overhead, perfect for outdoor dining, alongside rockery borders and a useful external store for garden equipment. To the front, there is a block paved driveway, integral garage and an additional allocated parking space, with side access leading to the rear garden.

This exceptional home combines modern living with a peaceful riverside setting, making it a truly unique offering within the Kendal market.
