Occupying a generous plot in the popular village of Greetland, this attractive stone-built semi-detached home has been thoughtfully improved by the current owner and offers well-proportioned accommodation, ample off-road parking and excellent potential to extend, subject to the necessary planning permissions.

Recent improvements include replastering throughout, updated electrics, a modern house bathroom and enhancements to the garage, creating a home that is well presented whilst still offering buyers the opportunity to personalise to their own taste.

The accommodation briefly comprises an entrance hall, lounge, separate dining room and fitted kitchen to the ground floor. To the first floor are three well-proportioned bedrooms and a contemporary house bathroom.

Externally, the property benefits from a generous driveway providing off-road parking for up to five vehicles, together with a spacious garage featuring power, lighting and two electric heaters, making it ideal for those requiring a workshop, home gym or additional storage. To the rear is an enclosed, low-maintenance garden, providing a pleasant space for outdoor seating and entertaining.

Conveniently located close to local amenities, well-regarded schools and excellent transport links to Halifax, Huddersfield and the M62 motorway network, this is an excellent opportunity for families and professionals alike. With further scope to extend, subject to the relevant planning permissions, the property offers the flexibility to adapt alongside changing needs.
