**** EXPECTED COMPLETION SPRING 2026 ****

A fantastic opportunity to purchase a stunning and extremely efficient (scoring 101 'A' rating on the energy performance certificate), individual, detached property. This well thought out, beautifully appointed family home has been designed with a great deal of thought and attention to detail, combining traditional elements such as attractive brick elevations beneath a pantiled roof, with flush casement windows finished in heritage style colours. Linked with this however are the benefits of contemporary living and modern technology, with over-specified insulation, integrated photovoltaic panels to the roof with battery storage, under floor heating and an efficient central heating system that, combined, give this property a maximum A rated energy performance, which would be of benefit in both the winter and summer months.

Internally the property will be finished to a high specification with a blend of contemporary fixtures and fittings and offering an excellent level of accommodation lying in the region of 3,100 sq.ft. plus its integral garage. The property boasts 4 double bedrooms with 2 ensuites and main family bathroom, the master suite also offering a large walk through dressing room. To the ground floor there are 2 main receptions including an attractive sitting room with solid fuel stove and double glazed sliders looking out into the garden and fields beyond. The study/family room is again a generous space that could be utilised for a variety of functions while the heart of the home will undoubtedly become the generous open plan living/dining kitchen which benefits from windows to 3 elevations as well as a central sky lantern flooding this area with light and affording attractive views into both the garden and fields beyond. In addition there is a useful spacious utility/boot room and ground floor cloak room, all leading off a well proportioned L shaped central hallway with staircase rising to a galleried landing above which combines to create a superb, well thought out and beautifully appointed home which is expected for completion in late Summer/Autumn of this year.

As well as the internal accommodation the property occupies a delightful plot, generous by modern standards, with a south to westerly rear aspect and accessed off a lane onto a substantial driveway with integral double garage and gardens to 3 sides. The rear garden affords a delightful aspect across to adjacent fields and has a substantial paved terrace which links back into both the living area of the kitchen and main sitting room, creating a fantastic outdoor entertaining space.

In addition the property will benefit from a 10 year warranty and viewing is essential to appreciate both the location and accommodation on offer.

HARBY

The village of Harby lies in the Vale of Belvoir and has amenities including a primary school, general store and garage, village hall and public house. Further facilities can be found in the nearby market towns of Bingham and Melton Mowbray and the village is convenient for travelling via the A52 and A46, Grantham railway station is approx half an hour's drive from where there are high speed trains to London King's Cross in just over an hour.
