Arden is an outstanding detached family residence that has been comprehensively renovated and thoughtfully reimagined by the current owners, creating an exceptional home that combines elegant contemporary living with practical family spaces. Offering beautifully presented accommodation arranged over three floors, the property enjoys a wonderful position in the sought-after village of The Sands, with views towards the neighbouring golf course.

The welcoming entrance hallway immediately creates a lasting impression, with uninterrupted sightlines through the house to the beautifully landscaped rear garden beyond. To the front of the property, a generous sitting room features an attractive fireplace, providing a warm and inviting space for relaxing. Adjacent is a versatile snug, currently arranged as a playroom, offering flexibility for a family room, home office or formal reception.

At the heart of the home is the spectacular open-plan kitchen, dining and living space. The fully integrated kitchen has been designed around the property's unique lower ground wine cellar, creating a striking focal point, while the adjoining dining area and sun room seamlessly connect the interior with the gardens beyond via 2 sets of bi-fold doors. Flooded with natural light and enjoying delightful views across the landscaped grounds, this impressive entertaining space perfectly embraces modern indoor-outdoor living. A separate utility room provides additional practicality and keeps the main living areas beautifully uncluttered.

The first floor comprises four generous double bedrooms, each benefiting from its own luxurious en suite bathroom and individual air conditioning. The magnificent principal suite enjoys attractive views across the adjoining golf course and features a dedicated walk-in dressing area together with a beautifully appointed en suite, complete with a freestanding bath and separate walk-in shower.

The second floor offers two further spacious bedrooms benefiting from air conditioning, currently utilised as home offices, making this an ideal work-from-home environment with fitted cabinets and desks. Served by an en suite shower room, this floor could equally function as an excellent guest suite or independent accommodation for older children.

Outside, the enclosed rear garden has been thoughtfully landscaped to create a wonderful setting for both family life and entertaining. Predominantly laid to lawn with mature shrub borders and colourful flower beds, the garden is complemented by an exceptional outdoor kitchen featuring an integrated barbecue, pizza oven and built-in refrigerator—perfect for alfresco dining throughout the warmer months.

A detached garden outbuilding further enhances the property's versatility, incorporating its own kitchenette and WC, making it ideal as a home office, gym, studio or entertaining space. There is an automated irrigation and sprinkler system in the front and rear gardens and a large garden shed for storage. To the front, Arden is approached via secure electric gates, opening onto a generous in-and-out driveway that provides extensive parking for multiple vehicles.
