Coal Mining

This map displays nearby coal mine entrances and their classifications.

Mine Entry

- ✕ Adit
- ✕ Gutter Pit
- ✕ Shaft

The Coal Authority has records of over 175,000 mine entries within the UK captured in the National Coal Mining database, derived from sources including abandonment plans, geological and topographical plans.

Coal mining activity is recorded as far back as the 13th century, but prior to 1872 there was no requirement to deposit abandonment plans. It is therefore believed there may be many unrecorded mine entries of which the Authority has no information or knowledge. These entries do not, therefore, appear within the Authority's national dataset as shown on this map.

Rail Noise

This map displays the noise levels from nearby network rail and HS1 railway routes that affect this property...

Rail Noise Data

This data indicates the level of noise according to the strategic noise mapping of rail sources within areas with a population of at least 100,000 people (agglomerations) and along Network Rail and HS1 traffic routes.

The data indicates the annual average noise levels for the 16-hour period between 0700 - 2300.

Noise levels are modelled on a 10m grid at a receptor height of 4m above ground, polygons are then produced by merging neighbouring cells within the following noise classes:

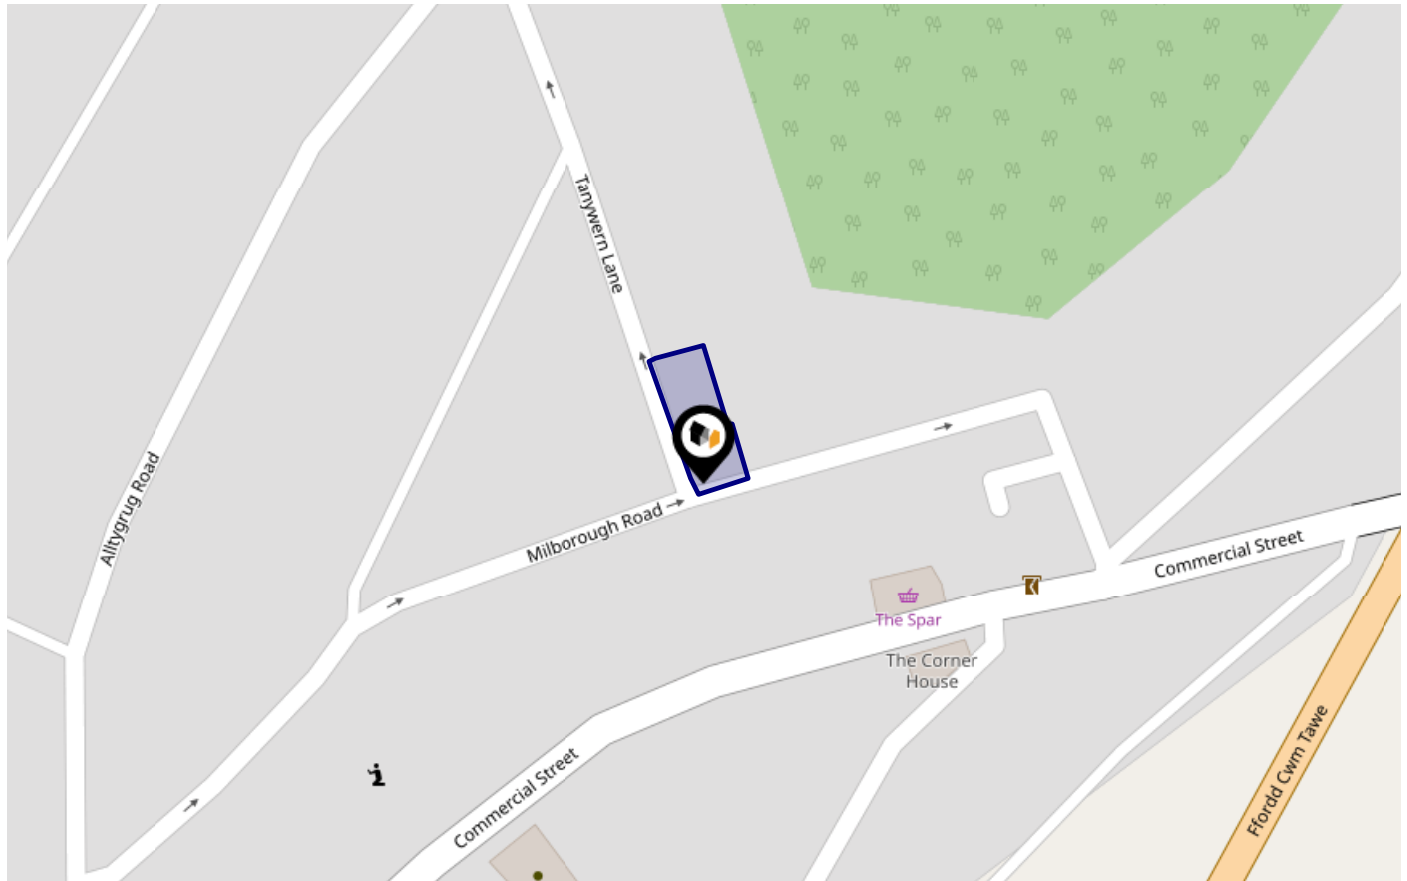

5		75.0+ dB	■
4		70.0-74.9 dB	■
3		65.0-69.9 dB	■
2		60.0-64.9 dB	■

Testimonial 1

I sold my property with Andy this year, after trying several other estate agents I didn't get on with, I found Andy to be easy to talk to, always available to answer any queries I had, moved through the process quickly, had a friendly and professional team behind him and overall a pleasure to work with. Moving You gave me the best valuation on my property and sold it for a better price than I had imagined I'd get. I recommend using Moving You to anyone

Testimonial 2

Superb service. Andy has been brilliant from the start. He explained from the outset the best way to sell our house and was able to show his reasoning from his research of the market, advertising techniques and local sale prices. His house sale portal was very helpful, providing full details of viewing appointments, offers and progress of the sale. Would highly recommend Andy to anyone looking to put their house on the market!

Testimonial 3

Pleasure to deal with, previously had dealings with another major high street estate agent with no success, whereas Andy at Moving You was knowledgeable of the whole process, market and gave a personal service and was great to be able to communicate through WhatsApp etc. Won't go anywhere else ever again, you have my business for life. Keep it up thank you!

Testimonial 4

Superb personal service and results! The previous estate agent failed over 3 months but Andy produced a result within 1 week. Can't recommend enough.
