This well-presented ground floor apartment has been thoughtfully improved by the current owner, benefitting from an enclosed private rear garden and a garage en-bloc.

In November 2025, the property was enhanced with the installation of a new electric heating system throughout and an updated bathroom featuring a modern half-bath and overhead electric shower.

Internally, the accommodation comprises two well-proportioned bedrooms and a generous sitting room, which enjoys direct access to the rear of the property and opens onto the private walled garden. The garden is predominantly laid to lawn with rear gated access.

The property enjoys a position away from the road, complimented by communal gardens to the front, along with a brick-built storage for bins.
