We are delighted to offer for sale this beautifully presented and updated four bedroomed detached house with attractive semi-rural views on a quiet cul-de-sac.

Step through the front door of this crisply decorated home, and imagine living somewhere where all you have to do is figure out where you will put your own furniture!

Nestled on what feels like a corner plot, this residence welcomes you with a hallway to leave coats and shoes. Turn left into the well proportioned living room with large window to the front to let light stream in through this space. There is an attractive toughened glass panelled door to separate or open up the living room and dining kitchen should you need to entertain or just want to cosy up and switch off but also provide more light.

The dining kitchen stretches across the back of the house. Thoughtfully arranged and appointed with modern units in stylish cream and brown, this space invites culinary adventure and every-day ease, offering ample elbow room for everything from morning coffee rituals to lively weekend baking sessions. Built in appliances include hob, cooker and dishwasher. As well as space for a dining table overlooking the garden there is a breakfast bar. There is also a ground floor w.c.

The dining area draws you in with space to seat six, whilst overlooking the garden through the French patio doors. From here you can also peer into the lounge through the sliding doors. This is perfect for having a 'grown up' meal with friends, whilst the children amuse themselves.

Four well proportioned bedrooms make up the first floor accommodation. The large master bedroom features built in wardrobe, space for large bed and access to the shower room en-suite. Bedrooms two (also features built in wardrobe) and three are both doubles whilst bedroom four is a generous single.

The main bathroom, with its sleek fixtures and calming palette, promises a refreshing start to the day and a relaxing wind-down in the evening.

Storage solutions are cleverly woven throughout, ensuring clutter is kept at bay, and the attached garage provides further practical space for hobbies or secure parking.

Outside to the front is a low maintenance area to park up to three vehicles.

To the rear of the property is good size East facing garden which is zoned to provide a paved area for bbq's and entertaining, lawned area for children to play and a grown up.
