Step into a home where space and comfort blend seamlessly, offering plenty of options for family life and entertaining alike. This impressive five bedroom semi-detached house welcomes you with a warm, inviting atmosphere from the moment you step through the front door.

The heart of the home is the modern open plan kitchen, complete with a central island that's perfect for morning coffee, casual meals, or catching up with friends while you cook. Integrated appliances keep everything sleek and tidy. The conservatory - with its glass roof and French doors - offers a light-filled spot to relax, read, or entertain guests with French doors leading to expansive garden. The seamless connection between the kitchen, conservatory, and garden ensures guests can mingle indoors and out with ease.

The separate lounge is a cosy retreat, with a wood-burning stove ready to keep you snug on winter evenings and a large bay window flooding the room with light on a sunny day.

Upstairs, the five bedrooms plus a study provide plenty of options for a growing family, home office, or guest rooms, all benefiting from abundant natural light.

The modern bathroom is a true sanctuary, featuring a luxurious rain shower that makes every day feel like a spa day. The study on the top floor was originally a bathroom and the plumbing is still there if you would like to reinstate it to service the two upper bedrooms.

Throughout the house, thoughtful design and spacious rooms ensure comfort and practicality, making it easy to imagine yourself settling in and making memories here.

The outside space is just as impressive, designed for both relaxation and lively gatherings. The expansive garden is a true showstopper, offering lush greenery, colourful flowerbeds, and mature trees that provide privacy and a sense of tranquillity. The spacious patio is ideal for summer barbeques, morning yoga, or simply soaking up the sunshine with a good book. Multiple outdoor seating areas mean there's always a perfect spot to unwind, whether you're hosting friends or enjoying a quiet family meal al fresco. The office room in the garden is the perfect spot for those who work from home and offers a large storage area for the families hobbies and outdoor pursuits.

The private driveway has convenient off-road parking for several cars, making coming and going a breeze. For those who love to entertain, the seamless connection between the kitchen, conservatory, and garden ensures guests can mingle indoors and out with ease. The garden is also a wonderful space for children to play, pets to roam, or for anyone with a green thumb to indulge in some gardening.
