Introduction

A fantastic opportunity to purchase this spacious 1950's semi detached family home situated on the popular East side of Newport (just off Chepstow Road), offering easy access to excellent amenities and main road connections. Within walking distance there are local shops, bus stops and well regarded primary and secondary schools as well as the M4 motorway and A48m being a short drive way, both providing effortless commuting to neighbouring towns and cities.

The property is offered to the market in good order although it presents an excellent opportunity to modernise, reconfigure and extend (subject to relevant planning and permissions).

On entering the property via the front porch, you are welcomed into the hallway which leads off to a spacious, bay-fronted lounge, dining room and a kitchen with adjoining utility and WC. Upstairs, there are three bedrooms (two generous doubles, one single) and family bathroom.

Outside, to the front is a lovely, mature garden and access into the side passage where you'll find a built-in store shed featuring power and lighting. The rear garden is of good size and mainly laid to grass.

The property further benefits from solar panels.

Further information can be found below or by calling our friendly sales team.
