Summary

Located on Brentford Drive in Mackworth, Derby, this charming three-bedroom house presents an excellent opportunity for families seeking a versatile and well-proportioned home.

An entrance porch leads to a hallway with a lounge off to the front. The hall leads to a comprehensively fitted dining kitchen with patio doors providing access to and views of the rear garden. There is a useful area to the side of the kitchen which has three store rooms off, one with a sink and possibility of a utility area with a door to the side.

To the first floor are three well proportioned bedrooms and a family bathroom.

The house features a generous rear garden, perfect for entertaining guests or enjoying quiet afternoons outdoors. Beyond the generous entertaining space, which has artificial lawn for ease, a lovely lawned area provides a delightful setting for children to play or for gardening enthusiasts to cultivate their green thumbs. Additionally, the extensive plot to the side of the property offers exciting potential for extension, subject to the necessary planning consents, allowing you to tailor the home to your family's needs.

Parking is a breeze with off-road space for several vehicles and a single garage, ensuring convenience for you and your guests.

The property is offered with no upward chain/vacant possession.

The property is conveniently located within easy reach of schools, shops and connection to the A6, A52, A38, A50 and Derby City Centre. The Royal Derby hospital is easy to access and Markeaton Park is local, for families to enjoy.

With its ample space, potential for expansion, and inviting outdoor areas, this property is a must-see for anyone looking to settle in Derby. Don't miss the chance to make this house your home.

F&C

The Location

Brentford Drive is conveniently situated for access to local amenities including a range of shops close by, together with the wider amenities in Derby City Centre, local schools, the University, recreational facilities including Markeaton Park and useful road links via the A52, A6, A38 and A50 networks.
