To the front, a well-proportioned dining room provides an ideal space for formal entertaining, while to the rear the property opens up into a large living room overlooking the garden, with direct access into the conservatory. The kitchen sits centrally and connects seamlessly to a bright breakfast room, creating a sociable hub for everyday family living. A separate utility room and additional storage areas, including access to the garage, add further practicality to the ground floor layout.

Several of the bedrooms enjoy pleasant outlooks over the rear garden, while one benefits from access to a balcony. The layout provides flexibility for growing families, guest accommodation or home working. The upper floor adds further versatility, featuring an additional spacious bedroom which could serve as a principal suite, guest quarters or a private workspace, depending on requirements. Externally, the property continues to impress with a substantial rear garden, ideal for both entertaining and family use. To the rear of the plot sits a large outbuilding incorporating a swimming pool and store, offering excellent leisure potential and scope for further adaptation.
