£290,000

A superbly renovated two-bedroom end townhouse, positioned in a quiet cul-de-sac to the west of York, offering stylish, energy-efficient living and a particularly generous plot.

The current owner has carried out a comprehensive refurbishment since purchasing the property. The home has been thoughtfully upgraded throughout, with the installation of an air source heat pump, solar panels, and a striking open-plan kitchen and dining space, all designed to maximise comfort and minimise running costs.

The internal accommodation is well presented throughout and comprises an entrance hall leading into a bright and spacious living room with under stairs storage. To the rear, the heart of the home is the beautifully appointed kitchen/dining room, featuring contemporary units, integrated appliances, and French doors opening onto the enclosed rear garden.

To the first floor are two well-proportioned double bedrooms, including a dual-aspect principle bedroom, along with a modern family bathroom.

Externally, this home enjoys a particularly large plot to the front privately owned by the property providing an excellent opportunity for further landscaping or outdoor entertaining space (subject to necessary consents). There is also off-street parking to the rear with an EV charger, and a low-maintenance garden.

This attractive home offers the rare combination of modern eco-conscious upgrades and a spacious plot in a well-connected residential location, close to shops, schools, a post office and pub, with excellent transport links including the nearby park and ride and riverside cycle route.

Early viewing is highly recommended.
