THE PROPERTY

Offered for sale with no onward chain is Church Lane Cottage a beautifully presented four bedroom Grade II listed cottage set down a quiet lane in Little Billing that offers a wealth of opportunity with its annex, large plot and approved planning permission for a three bedroom detached house.

The house itself is bursting with character throughout and starts with an interesting hexagonal porch with door leading into the large statement hall with beautiful herringbone flooring and central staircase leading to the first floor. From here you can access the cloakroom, charming living room with exposed beam, large open fireplace and window seats as well as the large dual aspect dining room with fireplace and exposed beam. Beyond here is the tastefully modern refitted kitchen with central island, quartz worktops, and Neff fitted appliances. One door leads you outside to the gardens and another leads toward the annex area/utility off which is the modern shower room and large annex bedroom/reception room with its own door to the driveway.

Walking up the stairs turn left toward the principal bedroom which is fantastic in size and offers a brilliant amount of storage with its fitted wardrobes and also has access to the en suite shower room. Turn right on the stair case toward the main landing off which are two further double bedrooms and the family bathroom.

Outside the plot itself is approximately 0.47 acres and wraps around the whole property which could be used as a stunning family garden or be made full use of with its approved planning permission to erect an innkeeping three bedroom detached property.

The gardens boast a large horseshoe driveway with two entrances both of which are gated and provides vehicular access to two detached garages and stores. Either side of the property are lawned areas one of which is south facing and full of bedded borders.
