A beautifully appointed and thoughtfully extended family home, blending period charm with contemporary design to create an exceptional living environment. From the moment you step through the front door, the quality and attention to detail are unmistakable.

The entrance hall sets the tone with its composite door, patterned ceramic tiled flooring and elegant C-shaped staircase featuring a glass balustrade, creating an inviting light open space. Two superb reception rooms offer versatile living space. The sitting/dining room enjoys a marble fireplace with gas coal fire, bespoke fitted bookcase and a leaded bay window. The living room is a standout feature, centred around a striking brick Inglenook fireplace with Charnwood multifuel stove, oak beam and ambient lighting, complemented by porcelain tiled flooring and glazed French doors leading into the showpiece open-plan kitchen. Without doubt a favourite feature. The full width open-plan kitchen, family and dining area is an impressive contemporary space designed for modern living and entertaining. Finished with white gloss cabinetry, quartz worktops and a central island with breakfast bar, it includes high-quality Bosch appliances, a wine fridge, Belfast sink and 5-ring gas hob. A bespoke media wall, Scan multifuel stove, pyramid glass roof lantern and full-width bifold doors create a bright, sociable environment that flows seamlessly into the rear garden. A matching utility room provides practical space for laundry appliances and houses the Worcester boiler, while the guest cloakroom is fitted with a sleek white suite. The galleried first-floor landing features a stained-glass leaded picture window and access to the attic via pull-down ladder. There are four well-proportioned bedrooms. Bedroom One overlooks the rear garden; Bedroom Two is fitted as a luxurious dressing room with bespoke cabinetry and mirrored wardrobes and Bedroom Three and Bedroom Four both offer excellent space. The ensuite to Bedroom Two is finished to a high standard with a walk-in double shower, rainfall head, chrome fittings and recessed lighting. The family bathroom provides a modern white suite with panelled bath and stone-style tiled flooring. Not to contradict with the interior, a beautifully curated garden setting that blends modern outdoor living with tranquil, landscaped greenery. The property opens onto an impressive covered patio, finished with large-format paving and a sleek glass canopy that creates a seamless indoor–outdoor flow. Beyond the patio, the garden unfolds into a sweeping, manicured lawn, bordered by mature trees, established shrubs and vibrant planting that delivers colour and privacy throughout the year. The space feels wonderfully open yet sheltered, offering a peaceful backdrop of greenery from every angle. It’s a rare combination of practicality, privacy and premium outdoor living, making it a true highlight of the home. At the front, a walled and expansive tarmac driveway provides off parking for several cars with the added feature of a side driveway leading to the detached double garage with remote-controlled roller shutter door and offers superb additional storage or workshop potential.

Step outside and you’re moments from the heart of Finchfield: independent cafés, local shops and essential amenities that give the area its welcoming village-like feel.
