DESCRIPTION

A spacious two-bedroom apartment set on the top floor of Saxon House, offering excellent natural light, generous living space and a private terrace.

Large windows throughout give the apartment a bright and open feel, while the exposed brickwork adds character. The main living space provides plenty of room for both relaxing and dining, with the private terrace offering a welcome outdoor space away from the bustle of the city.

Both bedrooms are well proportioned and benefit from good natural light, making the apartment equally suited to professionals, a couple or those looking for additional space to work from home.

Saxon House is well positioned for everything East London has to offer, with Shoreditch, Brick Lane and Spitalfields all within easy reach. The area has an excellent choice of restaurants, cafés, bars and independent shops, while Aldgate East and Liverpool Street stations provide convenient connections across London.

Total floor area 66.6 sq.m. (717 sq.ft.) approx
