Norman Road, SW19

One of the most exquisitely finished houses in 'The Poets'. A four bedroom, two bathroom Victorian, end of terrace house, complete with a rear and loft extension and a west facing garden in excess of sixty feet.

There's a reception room to the front, with a hallway that leads to the kitchen/dining room, housing an island and 30mm quartz work surfaces. In addition, there's a cosy sitting room, open to the kitchen, ideal as a kids playroom, or cinema style space.

The first floor has two well sized double bedrooms, complete with a luxury three piece family bathroom. The loft has been converted with a further two bedrooms and separate bathroom, with the principle bedroom offering a huge amount of eaves as well as built in wardrobes.

The garden is an outstanding feature of the house, circa sixty feet, laid to lawn and with a patio and decking, facing west and located at the end of the terrace of houses, so with far reaching views over gardens.

Norman Road is a quiet residential street equidistant to Wimbledon Station and South Wimbledon station. Close to hand you'll find Wimbledon Broadway with it vast array of restaurants, bars, coffee shops and premium shopping facilities.
