

WENA NTOMBI

Wena Ntombi, Thames Ditton

Description:

We are delighted to present this exceptional wide beam floating home, measuring approximately 60ft x 12'6, built in 2022 by the highly regarded Stewart Marine of Thames Ditton. Renowned for their craftsmanship and bespoke approach, Stewart Marine vessels are traditionally constructed with robust steel hulls and thoughtfully engineered superstructures, combining durability with refined residential comfort. This particular example reflects that pedigree, offering a superbly finished home that remains in near-new condition.

Set on a residential mooring with wonderful open views across the River Thames towards the leafy expanse of Home Park, the setting is both well located and picturesque, perfectly suited to those seeking a relaxed waterside lifestyle without compromising on quality.

Internally, the vessel is designed with both practicality and style in mind. Upon entering, an unusually wide hallway leads through to a beautifully proportioned open plan living space, where a contemporary fitted kitchen flows seamlessly into the lounge area, creating a highly sociable environment. A log burning stove provides a cosy focal point, complemented by an efficient wet radiator heating system for year-round comfort. Glazed doors open out to the bow seating area, an ideal spot for morning coffee or evening relaxation while enjoying uninterrupted river views.

The accommodation is completed by a generously sized and immaculately appointed shower room and a comfortable double bedroom, both finished to an excellent standard. Throughout the vessel, fixtures and fittings have seen minimal use, further enhancing the sense of quality and care.

Externally, the helm area is a standout feature, offering ample space with wraparound bench seating—perfect for entertaining guests, whether cruising or simply moored and enjoying the surroundings.

Offered to the market with no onward chain, this is a rare opportunity to acquire a modern, high-specification wide beam home in a truly enviable riverside position. Early viewing is strongly recommended to fully appreciate the craftsmanship, setting and lifestyle on offer.
