39 Marley Combe Road is a beautifully presented and extensively remodelled detached family home, thoughtfully arranged over two floors with a boarded loft space and Velux window, offering flexible four/five-bedroom accommodation ideal for modern family life.

The front door opens into a welcoming central hallway with a downstairs cloakroom and doors leading off to the principal rooms. The current owners have opened up the heart of the home to create a superb open-plan kitchen, dining and living space. A true social hub for entertaining and everyday family living. The kitchen is fitted with sleek cabinetry, integrated appliances, and an peninsular with breakfast bar and pendant lighting, flowing seamlessly into the dining and living areas beyond. Glazed doors and a light-filled conservatory extension connect this space directly to the garden, flooding the room with natural light and blurring the boundary between indoors and out.

Beyond this central hub, a separate family room offers a quieter retreat, with glazed doors opening onto the patio, while an additional living room to the front provides further versatile living space. Elegant wood flooring, built-in shelving, and large windows feature throughout the ground floor reception rooms, and a utility area to the rear of the kitchen offers space for further appliances and outside access. Upstairs, the bedrooms are generously proportioned with neutral décor, ample built-in storage, and large windows creating calm, airy retreats. A separate home office provides a dedicated workspace or a fifth bedroom, complemented by a family bathroom with a contemporary white suite and a separate shower room. The boarded loft space, accessed from bedroom three, features a Velux window and wood panelling and has previously served as a home office and offers excellent additional storage or, subject to consent, further conversion potential.
