Riversedge Cottage

2 Riverside, Skelwith Bridge, Ambleside

Rare opportunity to acquire a well presented and spacious two bedroom, two bathroom mid terrace traditional Lakeland cottage. Built around 1872 and we believe it was built for the workers of the local gunpowder factory. The property has been modernised in recent years creating an excellent traditional property with modern appointments. Set in a lovely rural position with attractive river views across its own easily maintained private garden and private parking.

A well established and a highly successful holiday letting property, let via Lakeland Retreats (part of Travel Chapter), generating a gross income of circa £32,000 per annum. Sold with forward bookings and the majority of contents. The property would suit a variety of buyers whether as a investment property or an ideal weekend/holiday retreat. There is also an outhouse at the rear of the property.

Enviably positioned in the centre of the Lake District National Park at Skelwith Bridge on the edge of the Langdale Valley and approximately three miles from the popular market town of Ambleside. In a wonderful rural position with splendid views over the gardens towards the River Brathay. Well placed for endless fell and country walks from the doorstep, together with amenities close at hand including Skelwith Bridge Hotel and Restaurant and the reputable Chester's Café. For a larger variety of amenities Ambleside is only a short drive away.
