Set within a highly desirable residential road and occupying a magnificent plot of approximately 0.20 acres, The Personal Agent are proud to present this substantial detached family home, offering flexible and well-balanced accommodation alongside exceptional outside space. An immediate viewing is highly recommended to fully appreciate the scale of the plot, versatility of the layout and overall feel of this wonderful home.

Our clients have enjoyed living here for the past 30 years, during which time the property has been sympathetically extended and thoughtfully enhanced to create a home perfectly suited to modern family life. From the moment you arrive, the generous mature frontage creates an excellent first impression, providing ample parking and a sense of privacy that is increasingly difficult to find.

In our opinion, this is an exceptionally well-balanced family home, ideally positioned for excellent school catchment areas whilst offering convenient access to Epsom town centre and High Street. The open spaces of Epsom Downs and its world-famous racecourse are also within easy reach.

From a practical perspective, the ground floor provides an impressive level of flexibility with four separate reception rooms that can adapt to a family's changing needs. These spaces currently comprise a generous 22ft living room, a study/playroom, a formal dining room that links seamlessly with the kitchen, and a home office which could easily serve as a fifth bedroom or guest suite due to its proximity to the utility room and downstairs cloakroom.

The property further benefits from a truly outstanding rear garden measuring approximately 103ft x 52ft. A particular feature of the home, this beautifully mature garden enjoys an excellent degree of privacy and provides an exceptional outdoor environment for families, entertaining and relaxation alike.

Predominantly laid to lawn with established planting and well defined seating areas, the garden offers a wonderful sense of space rarely found in such a convenient location. The generous plot size also provides scope for further extension, subject to the usual planning consents.

The impressive accommodation continues upstairs. From the bright and spacious first-floor landing there is access to four genuine double bedrooms, all of which are well proportioned and enjoy pleasant outlooks. The principal bedroom benefits from direct access to an adjoining bathroom, whilst the remaining bedrooms are served by a separate family shower room, creating a practical arrangement for growing families.

Additional noteworthy features include the substantial frontage, ample off street parking, side access to the garden and further scope to extend and adapt the property should future requirements dictate, subject to the necessary consents. Immediate internal viewing is essential to fully appreciate why this home represents such a rare opportunity within this highly sought-after road. Sole agent.
