DESCRIPTION

Built circa 1946 and offering around 3051 sq. ft of accommodation, Red Gables is currently occupied as two residences both with their own front doors and gardens. Generally in good order, the property would suit a buyer looking for dual occupation, a home with income or alternatively it could become one 6 bedroom unit. To the front is extensive parking with two gated entrances and to the rear there are private gardens. Due to its elevated position, the property boasts stunning views over Northam Burrows and out to sea. We understand this is the first time Red Gables has entered the market in 37 years so presents a rare opportunity.

1 RED GABLES

Entrance hall with storage cupboard, snug with built in wardrobes which could also be used as a further bedroom, sitting/dining room with fine views and sliding doors to the raised decking. The kitchen includes a range of fitted units, integrated appliances, inset sink and Rangemaster gas stove. Utility/boot room with door to the front.

Upstairs there is a family bathroom, separate WC and three double bedrooms with two enjoying breath-taking views. The larger bedroom is very versatile as it is accessed from the study which we envisage could be incorporated as a dressing room.

2 RED GABLES

Entrance hall with storage cupboard, sitting room to the front. The kitchen/dining room is set at the back of the property and enjoys views and access to the raised patio. The kitchen includes a range of built in units, inset sink, gas stove and space for white goods.

Upstairs there is a bathroom with both a bath and shower, separate WC and two bedrooms. There is a further room in the loft which could be used as an occasional bedroom.

OUTSIDE

The property can be accessed via two gated entrances which lead to an extensive brick paved parking area for a number of vehicles.

The gardens are made up of raised decked and patio areas which enjoy those stunning sea views. Steps lead down to the lower garden which is lawned and a blank canvas for the next owner.

There are also handy storage areas underneath the property, ideal for bikes, surfboards, lawn mower etc.
