This spacious property boasts an open-plan living and dining area, perfect for both relaxing and entertaining, alongside a modern kitchen and a convenient utility room. The ground floor also includes a well-appointed bathroom, while upstairs there are four generous bedrooms and an additional WC, offering ample space for a growing family or guests.

Additional features include a small, easily-maintained garden and a garage at the rear, thoughtfully converted into a stylish bar area with extra storage space. Immaculately presented throughout, this home combines comfort and practicality and is ready for immediate move-in, making it an excellent opportunity for anyone looking for a ready-to-enjoy family home in Millom

As you approach this larger-than-average terraced home, you are welcomed through a uPVC front door into a practical entrance hallway, featuring painted walls and wooden flooring. From here, stairs lead to the first floor, while a wooden door opens into the living/dining room.

The open-plan living/dining area benefits from both front and rear-facing windows, allowing for plenty of natural light. It is decorated in neutral grey tones, with fitted carpet to one side and wooden flooring to the other. The front section retains original cornicing, while the rear features an electric fire, creating a cosy focal point.

The space flows seamlessly into the kitchen, which offers a good range of cream base and wall units complemented by wooden work surfaces. A large rear-facing window overlooks the yard, and the room continues the wooden flooring for a cohesive feel.

Beyond the kitchen is a useful utility area with space for a washing machine and dryer. This leads through to the family bathroom, fitted with a white three-piece suite comprising a WC, wash basin, and P-shaped bath with an overhead shower. The bathroom is fully tiled to both walls and floor.

Upstairs, the property offers four bedrooms, all finished with painted walls and fitted carpets. There is also the added convenience of a separate WC with wash basin.

To the rear, the property boasts a pleasant, low-maintenance outdoor space—ideal for relaxing in the summer months. At the end of the garden is a garage, partially converted into a bar area, with the remaining space used for storage.

Overall, this is a generously sized family home with the added benefit of outdoor space.
