Situated on sought-after Grove Park Terrace in Fishponds, this charming Victorian three bedroom terraced home offers an ideal opportunity for first-time buyers and young families seeking character combined with practicality in a vibrant city location.

An entrance hall welcomes you in and leads to two inviting reception rooms. The front reception enjoys exposed wooden floorboards and a traditional bay window, filling the room with natural light and period charm. Positioned to the rear, the lounge provides a comfortable everyday living space with a door to the kitchen.

The kitchen is well arranged and functional, fitted with a range of gloss wall and base units with brushed stainless-steel handles, built-in oven, four-ring hob and extractor, along with space and plumbing for a washing machine and fridge freezer.

Completing the ground floor is a modern three-piece white bathroom suite with shower over bath, obscured double-glazed window and a useful storage cupboard housing the boiler.

Upstairs, the landing gives access to three bedrooms. The principal bedroom is a well-proportioned double located at the front with two double-glazed windows. Bedrooms two and three are single rooms positioned to the rear, ideal as children's rooms, nursery or home office.

Externally the property benefits from a small courtyard to the front and an enclosed rear garden featuring a concrete patio, shingle seating area and lawn — perfect for relaxing or entertaining. Fishponds remains one of Bristol's most popular residential areas, known for its independent cafés, shops and supermarkets along the high street, as well as nearby green spaces and cycle routes. Excellent bus links provide easy access to the city centre and surrounding areas, making it a convenient yet community-focused place to call home.
