A spacious and well-presented two-bedroom Victorian house with a study and west facing garden!

On the ground floor is a double reception room with two original feature fireplaces and a large bay window offering plenty of natural light. The room is finished with wooden flooring and has ample space for relaxing and for dining. To the rear you'll find the kitchen/dining room that measures over 28 sq m with two box bay windows, keeping the space bright. The kitchen area has freestanding kitchen units and some wall units for additional storage. There is space and plumbing for white goods and the room is finished with bamboo flooring and neutral décor with a grey feature wall. The dining area has plenty of space for a family dining table and leads out to the garden via bifolding doors creating the indoor/outdoor living feel. The garden has been paved and has planted borders with some established trees and plants, making it the perfect spot for a family BBQ in the warmer months.

Upstairs you'll find two bedrooms both finished with wooden flooring and an original feature fireplace and both benefit from built in storage. You'll also find the family bathroom, which has a three piece suite complete with a shower over the bath, a WC and a sink built into storage drawers. The bathroom has a partially paneled sage green wall to match the vanity unit and is also partially tiled. There is also a separate study to the rear of the house with French doors giving views of the garden while you're working from home.

The property further benefits from a storage cellar and a good-sized front garden with space for bike storage.

The wonderful Brunswick Park is located next to Benhill Road and offers free tennis courts and a children's play area, making it a valuable community asset.
