An exceptionally rare opportunity to acquire this beautifully modernised yet characterful traditional family residence, where timeless architectural features are seamlessly blended with refined contemporary design. Set amidst open countryside, the property enjoys the best of rural living-peace, privacy, and picturesque surroundings-while remaining conveniently located just minutes from local amenities including a Tesco Metro, Roose train station, and the renowned Clarkes Hotel and Restaurant at Rampsid. The area is rich with scenic walks, wildlife, and sweeping sea and field-side views, offering a truly idyllic lifestyle. The property occupies a prominent yet private position on Rampsid Road, just before the roundabout leading to Roa Island, Rampsid Village, and the coastal route towards Ulverston. Set well back from the road, the home has a long driveway that leads to a charming rear courtyard. Here you will find a detached garage with adjoining outbuilding, formerly the coach house and hay loft, adding further character and potential. Generous lawned gardens wrap around the property, creating a variety of tranquil spaces to relax, entertain, and enjoy the surrounding countryside. The ground floor welcomes you through an entrance vestibule into a grand reception hallway, providing access to the majority of the principal rooms, the cellar, and the elegant staircase rising to the first floor. The main family lounge features a beautiful bay window and an impressive open cast iron fireplace with granite hearth and oak-stained surround, creating a warm and inviting focal point. Adjacent is a second reception or dining room, also benefitting from a bay window overlooking the front aspect. Further along the hallway is a cloakroom/WC, a utility area, and the stunning farmhouse-style kitchen, complete with an excellent range of base and wall units, store cupboards with plate racks, a feature island, and a range cooker-perfect for family life and entertaining. From the kitchen there is access to a charming snug with traditional fireplace, as well as a delightful sun room enjoying private views across the side garden. The rear vestibule provides access to both the courtyard garden and the boiler room, while the cellar offers excellent additional storage and would serve perfectly as a wine store. To the first floor, the spacious landing leads to four bedrooms and the family bathroom. The principal bedroom enjoys distant sea views and benefits from a dressing room and a luxurious five-piece en-suite bathroom with vaulted ceiling. Each of the remaining bedrooms possesses its own unique character and outlook, while the beautifully appointed family bathroom features a bath, separate shower cubicle, WC, and wash hand basin. A further staircase from the landing rises to the rooms within the roof, offering versatile additional accommodation ideal for extra bedrooms, playrooms, studios, or home offices. Completing this impressive home are a gas central heating system and double glazing, ensuring comfort and efficiency throughout.
