A mature detached bungalow of traditional construction with low maintenance face brick elevations. With an attached garage and driveway providing plenty of parking, the bungalow has a lovely enclosed rear garden offering much privacy with a modern decked terrace running the property's full width and providing a fantastic summer dining space.

The bungalow is situated within the well-established and sought-after Highweek area of Newton Abbot, making it convenient for a wide range of amenities including a local shop, primary and secondary schools, and Dyrans leisure centre with its swimming pool and gym. Newton Abbot town centre with its excellent range of shops, businesses, bars, cafes, restaurants and mainline railway station are not far, with the clock tower in the town centre at just over a mile's walk.

The Accommodation:

The accommodation has been subject to much improvement over recent times, but does offer potential for a degree of further improvement and enlargement if required (subject to obtaining all relevant permissions and approvals), with other similar homes in the location having loft conversions and extensions. A side lobby between the attached garage and property leads down to a utility area with door to the garden and a door into the main reception hall with fitted boiler cupboard. A living room has French doors to the adjoining deck. The kitchen is square in shape with fitted cupboards worktops and sink. There are two double bedrooms overlooking the front and, completing the picture, a first-class bathroom with modern white suite.

Parking:

Attached garage and driveway for two cars.

Gardens:

Lovely rear garden with lawn and modern decked terrace all privately enclosed.

Directions:

From Newton Abbot take the Ashburton Road out of town passing Coombeshead College on the right. Take the 6th right hand turn into Elmwood Avenue and at the T junction right into Applegarth Avenue. The property is along on the right hand side.
