The accommodation has been comprehensively upgraded and briefly comprises a stunning open-plan dining kitchen with vaulted ceiling, a characterful sitting room featuring a log-burning stove, a utility room, a study/ground-floor bedroom, and a well-appointed shower room. To the first floor, the landing leads to two bedrooms and a well-appointed family bathroom. The primary bedroom also benefits from a dressing room and fitted wardrobe area.

The Detail

Entered through double-glazed French doors, the heart of the property is the impressive open-plan dining kitchen with semi-vaulted ceiling, with four Velux windows flooding the space with natural light, while heritage-coloured panelled cabinetry with pewter-effect handles, solid oak work surfaces, and a central island create a warm and inviting atmosphere. The island incorporates plate racks, a wine rack, and a built-in wine cooler, complemented by a traditional Belfast sink and an excellent range of integrated appliances. French doors open directly onto the courtyard garden, enhancing the seamless connection between indoor and outdoor living.

The sitting room is rich in character, featuring exposed beams, a charming fireplace with oak lintel and cast-iron multi-fuel burner, built-in shelving, and French doors opening to the garden. Additional ground-floor accommodation includes a stylish shower room with contemporary fittings, a useful understairs storage cupboard, a utility room, and a separate study/potential third bedroom.

To the first floor, the landing provides access to two well-proportioned bedrooms and a beautifully appointed family bathroom. The primary bedroom enjoys a feature fireplace, exposed beams, and an adjoining dressing room fitted with built-in wardrobes and drawer units. The luxurious bathroom features a roll-top claw-foot bath, Victorian-style shower mixer, vanity basin, and elegant patterned flooring.

Externally, the property benefits from a double-width block-paved driveway and two delightful garden areas. An enclosed courtyard garden provides direct access from both the dining kitchen and the sitting room via French doors. In addition, there is a generous garden area located at the other side of a public footpath. This main garden features lawned areas, raised planting beds, several timber decked seating terraces, a useful storage shed, and a summer house, creating a wonderful outdoor retreat.
