IF YOU LIVED HERE...

You'll be enjoying classic London apartment living - convenience plays a big part, but the property is also very visually appealing and spacious, clocking in at a generous 850 square feet. Your 390 square foot open plan kitchen/reception room is the real showstopper, featuring elegant hardwood flooring, high ceilings, capacious kitchen cabinets, integrated appliances and a terrific, toughened glass backsplash. Outside you have a garden space with loads of potential, sure to become a lush green paradise. Back inside, and classic Design & Decor continues in each room, awaiting a dose of your own character. Both bedrooms are bright and airy, with more luxurious hardwood flooring underfoot while your family bathroom is chic and characterful, featuring classy cream wall and floor tiles, housing a pristine white suite including a sensational soothing tub where you can soak away the cares of a busy day.

You're close to Newbury Park station where Central line trains can transport you to the shopping mecca of Westfield, Stratford in just fourteen minutes or central London in just over half an hour. Closer to home, nearby Seven Kings Park is a lovely green space that features a kid's playground and skate park as well as basketball, tennis and cricket pitches.

A WORD FROM THE OWNER...

"We fell in love with the open plan living room/ kitchen with the sun shining through our balcony windows and peaceful view, it was wonderful to sit on the balcony with a cup of tea. We are lucky to be surrounded by lovely neighbours in a quiet secluded area with the benefit of the Central line (5 minutes walk). As a couple, it has been a great first time property for us and we will leave with fond memories."
