****SPACIOUS ACCOMMODATION**THREE DOUBLE BEDROOMS**CELLAR**IDEAL RENOVATION PROJECT****

From the front, this charming terrace property appears traditional and modest, but step inside and you'll immediately appreciate the scale, character, and potential it has to offer. Boasting high ceilings, deep skirting boards, timber internal doors, and beautiful period proportions, this home offers far more than first meets the eye.

Currently presented as a blank canvas, the property provides an exciting opportunity for a buyer with vision to transform it into a truly stunning home. The accommodation includes generous reception rooms, a spacious cellar, and three large bedrooms — all offering excellent proportions and flexibility.

To the rear, there is a garag style workshop and enclosed garden space, adding practicality and further potential. A shared access runs through the middle, providing rear access if required, although the property is primarily served by on-street parking.

Situated in a highly sought-after area, the home benefits from excellent commuter links into Wakefield and Leeds, along with well-regarded schools, local shops, and amenities close by. Positioned within Normanton and on the edge of Altofts, this location continues to grow in popularity.

This property would suit a range of buyers, but particularly those who recognise the incredible potential within a spacious character home. It is ready to move into, with freshly painted walls and fitted carpets, yet still offers scope to personalise and enhance further.

Offered with no onward chain, this truly unique property must be viewed to appreciate the space and opportunity on offer.
