This impressive four/five bedroom detached house offers a superb opportunity to acquire a spacious and versatile family home in a highly sought-after location, with tranquil views overlooking trees and shrubs and a picturesque lake and is located within the popular Bersted Park development.

The scarcity of more pictures is because the home is temporarily storing quite a lot of furniture and possessions which are due to move in the near future and which precluded further shots. We strongly recommend viewing this spacious and wonderfully positioned house.

The property is located in a peaceful, low traffic area of the development and is thoughtfully arranged to provide generous accommodation throughout, beginning with a welcoming entrance hall that leads to two well-proportioned reception rooms, ideal for both formal entertaining and relaxed family living. The kitchen/breakfast room offers ample space for dining and casual gatherings, while the large utility area provides practical convenience for busy households.
