

Lower Stretton

Location

Surrounded by Cheshire countryside, Stretton is a picturesque village located south of Warrington Town Centre. The name Stretton derives from the Old English term settlement on a Roman road as it sits around what was once a key route passing through the area to Wilderspool. In the past, the village was known as a prime agricultural area and is brimming with history; home to cottages, school houses and a parish church dating back to the 19th Century. Nowadays there is a sports pavilion, hotel and a selection of outstanding schools. Stretton also benefits from excellent transport links and a great range of amenities including a nursery, post office and a range of cosy pubs. Residents also have plenty of scenic walking routes on the doorstep.
