Shared Ownership

Shared Ownership is a great way for you to get a foot on the property ladder if you can't afford to buy a home outright on the open market. It can ease the pressure of needing to save for a large deposit, or having to make high mortgage repayments. Essentially, it means you'll be buying a share of your home - usually up to 75% - and paying an affordable rent on the remainder. When you're in a position to do so, it's also possible to buy further shares in your home. This is known as Staircasing.

Shares are available from 10% to 75%. Please see example prices and rents listed below

10% Share - Purchase Price £21,000 - Rent Charges of £433.13

25% Share - Purchase Price £52,500 - Rent Charges of £360.94

50% Share - Purchase Price £105,000 - Rent Charges of £240.63

75% Share - Purchase Price £157,500 - Rent Charges of £120.31

Full Property Value - £210,000

Service Charges

A monthly service charge of £49.12 will apply. This will include building insurance, ground maintenance and the management charge.
