The staircase rises from here to the first floor, while the accommodation flows naturally both towards the front and rear of the house. A bespoke media wall provides a stylish focal point, incorporating recessed shelving, space for a television and a contemporary inset fire. Towards the rear, the dining room opens into the impressive newly fitted kitchen. Finished with a range of shaker-style units, complementary work surfaces and integrated cooking appliances, the kitchen also incorporates a useful breakfast bar. Large glazed doors open directly onto the rear terrace, bringing excellent natural light into the room and creating an easy connection with the garden. Beyond the kitchen is a useful utility area, providing additional practical space, together with a separate ground-floor WC.

The staircase rises to the first-floor landing, providing access to three bedrooms and the shower room. Bedroom one is a generous double room positioned to the front, while bedroom two provides a further well-proportioned bedroom. Bedroom three is situated towards the rear and offers flexibility as a bedroom, nursery, dressing room or home office. The first floor is completed by the newly fitted shower room, finished in a smart contemporary style with a glazed shower enclosure, vanity wash basin and WC, complemented by modern tiling.
