PROPERTY DETAILS

Claytons House is a substantial detached family home set in the heart of the quintessential English village of Sedlescombe. The village offers an excellent sense of community with a traditional pub complete with its own flock of geese, a post office, historic church and a variety of local events. There are wonderful countryside walks on the doorstep, highly regarded local schools including an excellent primary school feeding into the outstanding Claverham, whilst the towns of Hastings, Bexhill, Battle and Eastbourne are all within easy reach.

The beautifully presented accommodation is both spacious and versatile, centred around a welcoming entrance hall currently used as a music area. There is a generous family sitting room with a feature fireplace, a separate family room and a superb open-plan kitchen/breakfast room which is flooded with natural light and features French doors opening onto the rear garden. A useful utility room, separate cloakroom and two excellent storage cupboards complete the ground floor.

The first floor offers three generous double bedrooms, a family bathroom and a separate shower room. The second floor provides two further double bedrooms, an additional family bathroom and extensive eaves storage, making the property ideal for growing families or those requiring flexible accommodation.

A particular highlight is the exceptional rear garden, which extends far beyond the immediate patio. A large lawn leads over a charming stream to a delightful orchard and a further wooded area, creating a wonderful space for families, entertaining and enjoying nature. To the front there is an enclosed garden, off-road parking, and a double garage.

Beautifully maintained by the current owners, Claytons House offers an outstanding combination of character, space and village living. Early viewing is highly recommended to fully appreciate everything this wonderful home has to offer.
